

Producer and/or Owner Meetings

Producer and/or owner meetings are designed to help Arkansans develop a better understanding of a variety of topics concerning horse ownership and management. Unlike other meetings, these are one-on-one consultation meetings that are available and specifically designed for the individual requesting.

Topics include, but are not limited to

1. Nutrition
 - a. Hay purchase
 - b. Hay quality analysis
 - c. Grain utilization
2. Health care
 - a. De-worming and vaccination schedules
3. Facility design and farm planning
 - a. Barn and arena set-up
4. Reproduction
 - a. Determining a viable plan for your stallion
 - b. Establishing a broodmare band
5. Profit maximization
 - a. Boarding and training implementation
 - b. Estimated costs of horse ownership
6. Horse psychology and behavior
7. Hoof care
8. Laws and Insurance
 - a. Set up for boarding facility
 - b. Rodeos and horse shows
 - c. Horsemanship Clinics
 - d. 4-H Horse Events

Contact your County Extension Agent and Mark Russell to find out more about individual consultation to assist in your equine operation.
