

Ways to Give

Sponsorships or gifts donated for immediate use are accepted any form to aide with offsetting costs for seminars, educational curriculum and resources, promotional initiatives, as well as provide needs-based scholarship awards.

Endowed funds, on the other hand, provide both immediate and long-lasting benefits to the purpose designated by you as the donor. Considered self-sustaining funds, endowments are of great importance to LeadAR as they generate predictable, growing streams of income in perpetuity.

You may make a gift in the form of a pledge, payable over five years or less.

Gifts of stock or other appreciated assets, as well as planned gifts like bequests, are giving tools that can build a long-lasting foundation to sustain and grow leaders for today and tomorrow.

If you want to honor or remember someone who had an impact in your life, a named fund may be established.
